ABOUT US

Northeast Integrated Energy Services Private Limited (NEIES) is committed to building the next generation of fuel retailing through its NX100 Fuel Station Network. We deliver reliable, innovative and sustainable energy solutions by integrating conventional fuels with emerging clean-energy technologies.

With a strong focus on quality, customer satisfaction and operational excellence, NEIES aims to create a future-ready fuel station network that supports India's rapidly evolving transportation and energy needs.

VISION

To become one of India's most trusted and innovative multi-energy fuel station networks by delivering reliable, sustainable and customer-focused energy solutions across the nation.

MISSION

- Build a modern, technology-driven fuel station network
- Deliver high-quality fuel and energy services
- Support India's transition toward cleaner mobility
- Empower entrepreneurs through profitable dealership opportunities
- Maintain the highest standards of safety, quality and customer satisfaction
